INSTALLATION & REMOVAL

1. To install Flo, squeeze front top and bottom sections together and fit over faucet. To remove Flo, squeeze front sections and pull off faucet.
2. **NOTE: Make sure that front of faucet extends over inside flap as shown below.**
3. Be sure that shower diverter is accessible through top opening.

USING BUBBLE BATH DISPENSER

- To fill bubble bath dispenser, lift lid and pour liquid bubble bath into reservoir. Fill to desired level. Do not overfill.
- To dispense bubble bath into water stream, press green button on front of Flo.

CLEANING

- To clean all surfaces, use warm soapy water and a soft cloth. Do not use abrasive cleaners.
- To clean bubble bath dispenser, press button while flushing reservoir with warm water.
