

Top row, from left: Philippe Starck designed the compact Maclaren high chair (\$200); Graco's Mealtime chair adjusts easily up and down (\$90 with play tray, not shown, \$80 without); Combi's Transition comes in fun colors like "pink diva" (\$120). **Second row:** Eddie Bauer's high chair has a new dark-wood finish (\$130); Geuther's Family chair converts to an adult seat (\$250). **Below, from top:** The translucent seat on Boon's Flair has no corners, for easy cleaning (\$200); Chicco's Polly high chair comes with two machine-washable seat covers (\$120).

Cool new high chairs,
plates, sippies, and
bibs for dining in style.
