Check out a few of the products we found that help family space double as kid space.

Soft Spot A twist on the beanbag, the Boon Animal Bag is both a cozy seat for little ones and a storage option for stuffed animals. Zippered mesh windows offer easy access to toys. One of three machine-washable styles—the green Oval, the blue Otto or the orange Trio—is sure to be a hit. \$59.99 to \$99.99 at booninc.com or 888-376-4763.

Hot Seat The pint-size Ava armchair and ottoman from Jennifer Delonge is available in a range of durable spill- and stain-resistant fabrics in solid colors and vintage patterns. Sure to fit any decor, it makes a special spot for a little one to call her own. \$259 (chair), \$99 (ottoman) at jenniferdelonge.com or 760-602-9403.

Drop in the Bucket Funky fabrics upgrade classic metal buckets to a great storage option for every room. Bread and Budder Buckets come in a variety of sizes and an ever-changing selection of plaids, stripes, dots and other prints. Each one-of-a-kind container has an easy-grab handle. \$7 to \$75 at breadandbudder.com or 706-769-6378.

Secret Storage Lift the lid off of the Pandan Storage Stool to reveal a roomy bin perfect for blankets, toys or games. The padded seat and steel frame provide a comfy place to rest your feet. Choose from a natural or chestnut finish to suit your decor. \$79 at The Container Store, containerstore.com or 800-786-7315.
